SSRCx Opens San Francisco Office

NASHVILLE, TN – January 23, 2013 - SSRCx, the facilities commissioning and sustainability consulting branch of Smith Seckman Reid, Inc., has opened their first west-coast office location in San Francisco, California.

“Demand for our commissioning and sustainability consulting services has continued to increase in California and along the west coast,” said Mike Coyne, Managing Principal of SSRCx. “We are excited to be in San Francisco to better serve the needs of our clients.” SSRCx has been providing services to the California market since 2007.

The office will develop and execute opportunities for all of SSRCx’s services including; total building commissioning for new and existing buildings, Continuous Commissioning[®], retro-commissioning, and sustainability services such as LEED[®] consulting and energy models.

About SSR

SSR is an employee-owned consulting firm with 15 offices and more than 40 years of experience providing high performance engineering design and facility consulting services for complex facility and infrastructure projects across the United States and around the world. In 2011 SSR was ranked first in the ZweigWhite “Best Multidiscipline A/E Services Firm To Work For” among firms with more than 300 employees. SSR is currently ranked 19th in *Consulting-Specifying Engineer’s* list of “MEP Giants” and 5th on its list of “Cx Giants” list. To learn more, visit www.ssr-inc.com.

About SSRCx

SSRCx, a division of Smith Seckman Reid, is a leading facilities commissioning provider. The company works with facilities to verify and document that buildings and their systems are designed and installed in a quality manner and meet the needs of the owner and occupants. SSRCx provides commissioning services at any stage of a project, from design to completion, including facilities that have been built and running for a significant amount of time. SSRCx is ranked 5th on the *Consulting-Specifying Engineer* “Cx Giants” list. For more information about SSRCx, call (800) 545-6732 or visit www.ssrcx.com.
