Gary Pabst Joins SSR Chicago Office
Growth Continues in Chicago Market

CHICAGO, IL – September 24, 2013 - Smith Seckman Reid, Inc (SSR), a Nashville, Tennessee based engineering design and facilities consulting firm is pleased to announce the hiring of Gary Pabst as a mechanical commissioning field agent in its Chicago office.

Pabst has over forty years of experience designing and installing larger industrial and commercial HVAC equipment and control systems and owned his own firm doing the same for over 15 years. He holds Master Mechanical Licenses in two states as well as a Master Gas Fitters License.

About SSR

SSR is an employee-owned consulting firm with 15 offices and more than 45 years of experience providing high performance engineering design and facility consulting services for complex facility and infrastructure projects across the United States and around the world. In 2011 SSR was ranked first in the ZweigWhite “Best Multidiscipline A/E Services Firm To Work For” among firms with more than 300 employees. SSR is currently ranked 8th on *Building Design + Construction* magazine’s Engineering Firm Giants 300 list. To learn more, visit www.ssr-inc.com.

About SSRCx

SSRCx, a division of Smith Seckman Reid, is a leading facilities commissioning provider. The company works with facilities to verify and document that buildings and their systems are designed and installed in a quality manner and meet the needs of the owner and occupants. SSRCx provides commissioning services at any stage of a project, from design to completion, including facilities that have been built and running for a significant amount of time. SSRCx is ranked 5th on the *Consulting-Specifying Engineer* “Cx Giants” list. For more information about SSRCx, call (800) 545-6732 or visit www.ssrcx.com.
